4. TOURNAMENT STRUCTURE

4.1 Best-of-3

Each Best-of-3 match will consist of up to three (3) Game matches on three maps, with the first team to two (2) map wins winning the match. If neither team wins two (2) maps, the team with the most wins will win the match.

4.4 Tournament Stages

Bo3: Escort, Push, Control

Bo5: Control, Escort, Push, Hybrid, Control

4.5 Tournament Schedule

The Tournament will take place the weekend of Feb 5th 2022. Tournament Administration reserves the right to reorder the match schedule within a given day and/or change the date of the match to a different date, or otherwise modify the schedule of matches. If the schedule is modified, Tournament Administration will inform all Teams at its earliest convenience.

A. It is the full responsibility of the Team Manager and captain to notify team members of changes or delays in tournaments.

5. MATCH DETAILS

5.1 Map Rotation

For all sections of the Tournament, the initial map will be assigned by Tournament Administration, and the subsequent maps will be chosen from a set of maps within each game type by the losing team. Maps for the tournament will be posted on Compete as well as assigned in the Match Assignment emails.

A. Game Set. All game types permitted in Overwatch Competitive Play could be selected in the Tournament.

B. Tournament Map Pool. All maps permitted in Overwatch Competitive Play could be selected in the Tournament. (Except for Paris and Horizon Lunar Colony)

5.2 Match Settings

All games should be played with the "Competitive" pre-set selected. All maps except for the map to be played should be set to "off". All heroes communicated to be banned (if any) should also be set to "off". The lobby should be set to "Invite Only." Kill-cams should be set to "off". Hero limit should be set to "Limit 2 per role"

5.3 Server Selection

In case of a dispute, the left team (when viewing the match on GameBattles) must host the match lobby.

A. The losing team from each map may host the lobby for server selection. To select a server, the following steps must be taken:

i. Everyone but the team that is selecting the server must leave the lobby.

ii. Upon starting the match with the correct settings, the team must immediately pause the match and invite their opponents.

iii. Once every Player is back in the match, the match may resume after confirming that both teams are ready.

5.4 Pause Time

A team may request a pause only in the presence of a technical issue. If you are the Team who controls the lobby, you must still request the pause and receive confirmation from the opposing team before initiating the pause. Teams must wait until the conclusion of any ongoing team fight before pausing. Players are responsible for the integrity of their own internet connection.

However, if a Player disconnects, his or her Team can either decide to request a pause and have the player reconnect or wait until that 'round' is finished to rejoin the match. The default pause configuration is Ctrl+Shift+'='. Each team may request a maximum of three (3) pauses per match, with each pause having a maximum duration of five (5) minutes. The team that does not request the pause must confirm the end time of the pause via the in-game 'match chat' once a pause is initiated. If a team does not un-pause before their allotted time is depleted, they immediately use their next pause and add five (5) minutes to the current pause timer. If a team has no pauses left and their pause timer runs out, the Team that requested the pause will be forced to forfeit the current map.

A. Pause Communication. Pause requests will be communicated in match chat during an ongoing match. The details of why a pause is requested must be communicated to the opposing team.

5.5 Playing "Man-Down"

Maps may continue with a Team playing "Man-Down" (where a player fails to reconnect or solve technical issues and cannot participate in the remainder of the map). Maps may not begin with a

team playing “Man-Down”. If a Team is unable to field the required number of players by the final match start time, that team will be required to forfeit.

6. MATCH RULES

6.1 Game Restarts

The decision of what circumstances merit a game restart are solely at the discretion of Tournament Administration. Restart protocol will be decided by Tournament Administration and communicated to the team before being executed.

6.2 No-Show

Five (5) Players from each Team must be present in the match lobby within twenty (20) minutes of the scheduled match time. If a Team is unable to field the required number of players by the final match start time, the team will be required to forfeit. Offending teams may request additional time from their opponents if it does not cause Tournament delays. It is at the sole discretion of the opponent whether or not they would like to allow additional time.

6.3 Reservation of Rights

Tournament Administration reserves the right to cancel, suspend and/or modify Tournament competition, or any part of it, if any fraud, technical failures, human error or any other factor within or outside of Tournament Administration’s control impairs the integrity or proper functioning of Tournament competition, as determined by Tournament Administration. If Tournament competition is so terminated, Tournament Administration reserves the right to determine the winners of said competition from among all non-suspect, eligible Participants.

7. COMMUNICATION

7.1 Lobby Creation

Participating Teams are responsible for inviting the opposing team and creating match lobbies and matches prior to their match start time.

7.2 Announcements

Large announcements, general information, ruleset, and bracket can be found via email communications from Tournament Administration. This source can serve as an information hub for teams.

A. Participants may not use language or engage in conduct that is deemed by Tournament Administration to be obscene, foul, vulgar, insulting, threatening, abusive, libelous, slanderous, or otherwise offensive or objectionable. Likewise, Players may not promote or incite hatred or discriminatory conduct. Participants may not use this type of language in connection with Tournament competitions, on social media, or in any public events such as streaming.

B. Participants shall treat all individuals watching or participating in events with respect. Participants may not take any action or perform any gesture directed at another Participant, Tournament Admin, or any other party or incite others to do the same which is abusive, insulting, mocking, or disruptive. Players may not use obscene gestures or profanity in their Battle Tags, player handles, game chat, lobby chat or live interviews. This includes abbreviations and/or obscure references.

C. Participants may not offend the dignity or integrity of a country, private person or group of people through contemptuous or discriminatory words or actions on account of race, skin color, ethnic, national or social origin, gender, language, religion, political opinion, financial status, birth or any other status, sexual orientation, or any other reason.

D. Participants are expected to behave in a professional manner as determined by Tournament Administration. This includes being on time for all scheduled matches and ready to play. Participants must respond to requests from Tournament Administration in a timely manner.

E. Tournaments are a place for players from around the world, from different cultures, and from different backgrounds, to come together to compete and share their passion for our game. Participants in our competitions should be focused on bringing the world together through epic entertainment, celebrating our game, players, and fans, and building diverse and inclusive communities. Players must refrain from disruptive or divisive behavior, commentary, or other forms of expression during official Tournament channels (e.g. match broadcasts, produced shows). Throughout the period on match day that a Player is visible to the live and camera audience(s), they may not wear, display or otherwise convey personal messages without express approval from Tournament officials, which approval shall not be granted for political messages.

8.2 Competitive Integrity

Teams are expected to play at their best at all points during any match and will maintain behaviors consistent with the principles of good sportsmanship, honesty, and fair play. Tournament Administration maintains the sole right in judgment for violations of these rules and standards of integrity for competitive play. Unfair conduct includes but is not limited to the following conduct:

A. Best Ability. Participants must compete to the best of their ability at all times.

B. Betting and Gambling. Participants may not, directly or indirectly, conduct, promote or benefit from any act of betting or gambling on or in connection with any matches.

C. Collusion. Participants shall not conduct or promote any act of collusion. Collusion is any agreement among two or more Participants to disadvantage opposing Participants.

D. Match Fixing. Participants shall not offer, conspire or attempt to influence the outcome of a match by any means other than competitive play.

E. Hacking. Participants shall not conduct or promote any act of hacking or modifying the Game.

F. Cheating. Cheating will not be tolerated. It is each Participant's responsibility to know and understand the rules as they exist during the Tournament period. Any form of cheating will not be tolerated. If Tournament organizers determine that a Player, Team Manager or any of their agents or other representatives is cheating or otherwise interfering with the Tournament, that individual will face penalties determined by Tournament Administration. Examples of cheating would include, without limitation:

1. Actions to maliciously intentionally alter, or attempt to alter, the results of any match, including losing a match to advance one Team or another Team's position in the Tournament;

2. Attempts to interfere with another person's connection to the Game service through Distributed Denial of Service (DDoS) or any other means; and

3. Playing or allowing another person to play on a Battle.net account registered in someone else's name. 8.3 Main Accounts. Players must connect their "main" Blizzard Battle.net account to compete. Your main account, for this purpose, is defined as the account in which you have the highest rank or most play time. Players found actively hiding their main accounts may face repercussions and penalties at the discretion of the Tournament Administration.

10. DISCIPLINARY ACTION

10.1 Investigation of and Right to Monitor Compliance

To preserve the integrity of Tournament competition, Tournament Administration will have the right to monitor compliance with these Official Rules, investigate possible breaches of these

Official Rules, and impose sanctions for violations. Participants agree to cooperate with Tournament Administration in any such investigation. The failure by a Participant to cooperate with any internal or external investigation conducted by Tournament Administration or its designee relating to a violation of these Official Rules is itself a violation of these Official Rules, including without limitation being untruthful or withholding, tampering with, or destroying evidence.

10.2 Assessment of Penalties

Any violation of the Official Rules by one or more members of a Team will be subject to penalty. The nature and extent of penalties imposed will be determined by Tournament Administration.

All decisions of Tournament Administration regarding rules violations or other issues regarding the Tournament are final.

Penalties or rule violations will be assessed by Tournament Administration. These penalties will vary in range between loss of side or map selection, to disqualification, in direct relation to the severity of the offense and the number of offenses committed previously by the same team.

11. LIMITATIONS OF LIABILITY AND GENERAL RELEASE

As a condition to being allowed to participate in the Tournament and to the greatest extent permitted by applicable laws and regulations, each Participant agrees to release and hold harmless The Hosting party, Major League Gaming Corp. and each of their respective and its parents, subsidiaries, and affiliates, and each of their respective officers, directors, employees and other representatives (the "Released Parties") from any liability whatsoever, and waive any and all causes of action, related to any claims, costs, injuries, losses, or damages of any kind arising out of or in connection with their participation in the Tournament or delivery, misdelivery, acceptance, possession, use of or inability to use any prize (including, without limitation, claims, costs, injuries, losses and damages related to personal injuries, death, damage to or destruction of property, rights of publicity or privacy, defamation or portrayal in a false light, whether intentional or unintentional), whether under a theory of contract, tort (including negligence), warranty or other theory.

RELEASED PARTIES OR ANY OF THEIR PARENTS, SUBSIDIARIES, AFFILIATES OR REPRESENTATIVES WERE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

To the fullest extent permitted by applicable law, each Participant acknowledges that he/she is aware of the risks, dangers and hazards associated with esports competitions and he/she freely accepts and fully assumes all such risks, dangers and hazards and the possibility of personal injury, death, property damage or loss resulting from his/her participation in such activities.
